Extract from letter dated 3rd Dec, 1915. *received from* Messrs
Richard Hughes & Co. Liverpool.

Original letter with S.S. "PANSY"

Vessel's Name S.S. "PRIMROSE"

S.S. "PRIMROSE", We have given our Superintendent instructions to have this shaft sighted the very first opportunity that we can get a slip. We are hoping that this can be done in the Humber toward the end of next week or the following week.
