ANS:

Sir,

In reply to the query in the classing letter of the 3rd instant, in regard to the Steam Trawler "Onward", Hull Report No 14301, I beg to say that the statement that the depth from top of floors to top of main deck beams is 11'-8½" is a clerical error, it should be 11'-6".

I am, Sir,
Your Obedient Servant,
Allison B. Wilson.
