RETA

Dear Sir,

With reference to the classification in the H. Society's Register Book of the steam trawler "ORCADES" and to the survey which became due on the screw shaft of this vessel at the end of June last, I beg to acquaint you that the Committee have had before them at their meeting to-day a letter received from the Society's Surveyors at Grimsby, from which it would appear that no arrangements have been made to have the requisite survey held.

In the circumstances, the Committee have given instructions for the class of the vessel to be omitted from the forthcoming edition of the Register Book unless a report of the survey in question be received in the meantime.

I am, Dear Sir,

Yours faithfully,
