No. 85

24th January, 1907.

Dear Sir,

S.

I beg to acknowledge the receipt of your letter of the 14th instant, respecting the classification in the Society's Register Book of your steamer "OPLAND", and having submitted the same to the Committee I am directed to say that as it does not appear that the requirements of the Society's Rules as regards fitting watertight doors to the openings cut in the watertight boiler room bulkhead have been satisfactorily complied with, they have decided to give instructions for the vessel's class to be expunged from the Register Book with a red line, indicating non-compliance with the Society's Rules.

I am, Dear Sir,

Yours faithfully,

Secretary.

H. Fredriksen Esq.,
