Sir,

The S.S. "OPLAND" No.233 in Register Book, is now in Nagasaki undergoing fairly large damage repairs to vessels bottom, calling on board, the Captain stated that he wished Norwegian Veritas Supervision, and class, only, and that his Owners wished to withdraw from our Register, I requested this in writing from him, but he refused. I would respectfully suggest that, you communicate with the Owners, before inserting(...) . No Survey held at this time by me, also note vessel recorded in Special reason List.

I am, Sir,

Your obedient Servant,

A.C. Heron
