

Chief Surveyors 6906

Received from Chief Surveyors

L'S NAME L.S. Opland

Report Shi No. 998

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

f Survey

When due

It is submitted the Shanghai Surveyor should be requested to take the earliest opportunity of going on board this vessel and ascertaining if the staves fitted in bulkhead between coal bunker and forward hold are watertight, and to then report the result of his examination for the information of the Committee
