The Secretary.

Lloyd's Register of Shipping, London.

Sir

Reverting to previous letter in connection with 998, "Opland" I beg to acquaint you that the doors on the bulkhead of this steamer have not yet been altered.

When visiting the steamer last time he was in dry dock with the tail shaft drawn and was attended to by the surveyor for "Storke Veritas" Society (the steamer is also classed in that Society) and Fundusland. It is the owners intention to withdraw her from class in Lloyd's Register of Shipping.

I am Sir

your obedient servant

H. Paulsen

Referred to the Chief Ship Surveyor  
and the Chief Engineer

SEP - 5 1908

Also for Mr. S. A. Hill to note.
