27th February, 1906.

Dear Sir,

Reverting to my letter of the 1st August last, to which it appears I have received no reply, respecting the case of your steamer "OPLAND", I have to request that you will be good enough to let me know for the Committee's information in dealing with the case when and at what port it will be convenient for you to submit the watertight doors to the openings in the boiler room bulkhead for further examination by one of the Society's Surveyors, and in view of the very long time for which this matter has now been standing over, I shall be glad to receive your reply in course of post.

I am, Dear Sir,

Yours faithfully,

Secretary to the  
Classification Committee.

H. Fredriksen Esq.,

SANDEFJORD.
