LLOYDS REGISTER  
LONDON.

REC'D 18 MAY 1905

ANSW

Christiania 15th May 1905

I received your letter of the 1st instant on the case of the "Oppland", and beg to state that when I was at Sandefjord last week I called on the Owner and explained to him the contents of your letter concerning the manner in which the doors fitted to the openings between the bunkers and fore hold were to be made. To this he answered that he was certain that the doors fitted were in accordance with Lloyds requirement as the master had received from him full instructions as regards this matter.

I am Sir,

Your obedient servant

*Wm. M. M.*

Yours

London.
