H. L. FLETCHER,  
SHIP AND ENGINEER SURVEYOR.

Reference

Dear Sir,

With reference to your letter of the 11th October

regarding the steamer "Sing Bee" ex "Lake Gitano", I have to state that the Society's Surveyor at Manila duly advised this office when the vessel left Manila for this port, and informed us that the Owners were contemplating submitting the vessel to survey for reclassification.

As requested we communicated with the Owners' Agents at this port in the matter, but failed to get any reply. The vessel left again for Manila some time ago.

I am, Dear Sir,

Yours faithfully,

*H. L. Fletcher*

The Secretary.

London.
