-----  
The Survey of the screw shaft of this vessel  
became due in May last.

A report has now come to hand from the New York  
Office, together with a letter from the Owners requesting the  
withdrawal of the steamer from the Society's classification.

The case received the consideration of the American  
Committee on Tuesday, 21st ultimo, when it was decided to withdraw  
the vessel's character from the Register Book and to insert three  
dots (...) in lieu thereof, indicating withdrawal of class at  
Owners' request.
