The Second Special Survey No.1 of this trawler became due in January last, but the Owner's Agents now state it is not intended to maintain the vessel's classification in the Society's Register Book.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 11th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owner's request.
