-:-----:-

No Surveys are due on this vessel, but some damage to the stem and stem plating requires to be repaired before the end of September next.

The Acting Surveyor at Lisbon now states that he is informed by the Owners that they do not desire to continue the Society's Classification, and in the circumstances, the Classing Committee, who had the case before them on Tuesday, 7th instant, decided to withdraw the vessel's class and insert three dots (...) in lieu thereof, indicating withdrawal of class at Owners' request.
