NO. 10 (

LLOYD'S REGISTER/OF SHIPPING

Lisbon 15th November, 1920.

Dear Sir,

I now enclose list of trawlers taken over by the new company, Companhia Portuguesa de Pesca, 14 vessels in all, as "MARIA LEONOR" will be taken over this week, and in the meantime I do not think any more trawlers will be taken over by this company. Out of the 23/24 trawlers belonging to this port only 10 are working owing to the very high price of coal and wages and the Government insisting on a captain sailing in charge of each vessel, which formerly was the fishing master, owing no doubt to there being so many captains without employment.

I am, Dear Sir,

Yours faithfully,

(Sgd.) GEO. PAYNE.

Andrew Scott, Esq.,

Secretary.
