Lisbon, 14th October 1920

Dear Sir,

Referring to your letter dated 20th September with regard to the steam trawler "OITO DE SETEMBRO", I have now been informed verbally that this vessel belongs to the new Company named Companhia Portuguesa da Pesca. She is at the moment laid up for an indefinite period and no repairs of any kind are at present being done and up to now it has been quite an impossibility to get a definite answer from these people as to whether they wish the vessel to remain in class or not. At first I was advised that they were to be kept in class and the day before yesterday I received a verbal reply to the effect that they did not know at present but would see about it later!

I am, Dear Sir,

Yours faithfully,

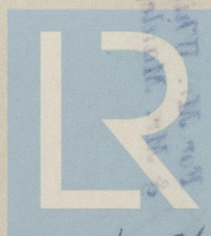

Acting Ship & Engineer Surveyor to Lloyd's
Register
