Received from Chief Ship Surveyor

VESSEL'S NAME *Sh. L.P. "Breatham"* Rpt. *Dub* No. *3338*

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinet summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey *Fresh Entry*

The Dublin Surveyor should be informed the Glasgow Surveyors have been communicated with, and in reply state that the steel used in the construction of these masts was tested as required, but that the masts were not examined by them when completed, and he should be requested to state whether he made an examination of the masts before they were fitted in place.
