ENCLS.

24th February, 1914.

Sir,

H.

With reference to the case of the steamer "STREATHAM", I have to send herewith a letter received from the Society's Surveyor at Dublin, together with a sketch showing the lap-welded steel masts made by Messrs. Stewart & Lloyd and fitted in this vessel.

I shall be glad if the Surveyors will be so good as to furnish any information they may be in a position to supply in regard to the matter.

The letter and sketch should be returned with your reply.

I am, Sir,.

Your obedient servant,

Secretary.

The Secretary,

GLASGOW.
