S/S "RAYO" Phil. report 1943.

S. Sir:

In reply to your letter of November 27th, 1912 regarding the question of this vessel being fitted for liquid fuel, I have to state that beyond building oil bunkers nothing further was done to equip the vessel for burning liquid fuel as the owners decided to burn coal.

I am, Sir,

Your obedient Servant,

The Secretary,  
London.
