Lloyd's Register of British & Foreign Shipping,

71, Fenchurch Street, E.C.

27th November, 1912.

Gentlemen,

S.

With reference to the case of the new steamer "RAYO", it is observed from your Return 1 of this vessel forwarded in August last that you stated she was to be fitted for liquid fuel, but no mention of this is made in the first entry reports.

In the circumstances I have to request that you will be good enough to let me know whether the vessel has been fitted for liquid fuel.

In the event of the Boilers having been fitted for liquid fuel you should state whether all the requirements of the Rules, Section 49, have been complied with.

I am, Gentlemen,

Your obedient Servant,

T.M.H.
The Surveyors,

PHILADELPHIA.
