Received from Chief Ship Surveyor

VESSEL'S NAME *Ste. Steam Trawler "Raven"* Report *Full* No. *17502*

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

Nature of Survey

First entry

It is submitted that before this case receives the consideration of the Committee the Superintendent of the Lipton Proving House should be requested to state whether anchors with Certificate Nos. 28625, 28629, and 28627, and Chain Cable 29403 were tested at his Machine, and if so he should be requested to forward full particulars of the test certificates for the information of the Committee.
