Received from Chief Ship Surveyor \_\_\_\_\_

VESSEL'S NAME Lt. Steam Trawler "Reeve" Report Hull No. 17405

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey First entry

It is submitted that before this case receives the consideration of the Committee the Hull Surveyors should be requested to forward full particulars of the marks on the anchors and cables. They should be informed that they are not in order in having kept the report back from the Committee since the 6th December on account of the certificates for the anchors and cables not having been produced.
