Dear Sir,

I have received your three letters of the
23rd inst. Ref.F. regarding the annual surveys of the
"Chantala", "Karagola" and "Shirala".

The "Chantala" is operating under Charter
T.98. The "Karagola" was under Boiler Survey in Bombay
recently and I have no doubt that the opportunity was
taken to carry out the annual loadline survey. I am
however passing on your reminder to our Managing Agents.

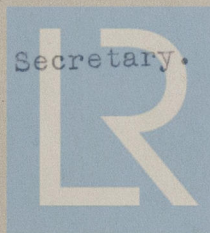

As regards the "Shirala" I have no doubt that
our Managing Agents in India have made arrangements for
her before the due date.

Yours faithfully,

(SGD)

PGS/RB.

Secretary.
