GLASGOW REPORT No 57355

Lloyd's Register of Shipping.

GLASGOW

Port

GLASGOW.

16th July, 1936

This is to Certify that

L.C. DAVIS,

the undersigned Surveyor to this Society did at the request of

Messrs. David Rowan & Co., Limited attend at their Works on the
7th July, 1936 and subsequently for the purpose of examining
Two Cast Iron Propeller Bosses (each for three propeller blades)
made to the order of Messrs. Manganese Bronze & Brass Co., Ltd.,
London and intended for the Steamer "CERAMIC" of Southampton.

The Propeller Bosses were bored, faced, studded
and their keyways cut and upon examination were found sound and
good.

For the purposes of identification both
Propeller Bosses were stamped:

LLOYD'S NO.
31528
L.C.D. 15/7/36.

L.C. Davis

Surveyor to Lloyd's Register.

FEE: £1. 11. 6.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
uted, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
tever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
y in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
mittees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
