Dear Sir,

I beg to inform you that on the instructions of the Owners the deck composition "ANCHORITE" is being laid on the steel middle, upper, bridge and boat decks in way of accommodation of the T.S.S. "CERAMIC" now under survey for classification.

This composition is stated to have been used extensively in the same Owners other vessels and I shall be glad to know if it meets with approval in this case.

I am, Dear Sir,

Yours faithfully,

The Secretary,
