ASST.

Dear Sir,

S.S. Agwipond Report N^o 3100

I in reply to your letter of the 11th inst regarding the above vessel we have to inform you that the frames in the fore & after peak tanks were fitted as approved. Regarding the testing of the main boiler, these three boilers were tested on the following dates. Starboard main boiler on the 16/7/20, Certificate N^o 189, the centre main boiler on the 20/8/20, Certificate N^o 188, the port main boiler on the 1/8/20, Certificate N^o 187. A separate donkey suction is fitted in the engine room 1/2" in diam. We regret that the above information & also the particulars regarding the bulkheads was not clearly stated on the 1st entry report.

Yours very truly
David Millas
