24th June, 1912.

Dear Sirs,

S. With reference to the classification in this Society's Register Book of your steamer "ST. AGNES NO.1", I am directed to acquaint you that a report on the vessel has been received from the Society's Surveyors at Newcastle from which it appears that on the port side amidships in way of the garboard landing, the bottom is set up. It was understood from your goodselves however that it was not your desire to continue the vessel's class with this Society, but before submitting the case to the Committee, I think it well to bring these facts before you with a view to hearing from you direct on the subject.

I am, Dear Sirs,

Yours faithfully,

Messrs.R. Hastie & Sons,

Fish Quay,

NORTH SHIELDS.
