

S.S. "Magagan"

From William Barton & Co.

21st. May 1902.

Sirs,

In reply to yours of 23rd. inst. regarding certificates we re-
there has been an error made in certifying breaking strains. These
d have been, for $3\frac{1}{2}$ " - $26\frac{1}{2}$ tons and for 4" - 34 tons without break^{ing}
~~for~~ the breaking should be as exhibited on certificates namely
 $3\frac{1}{2}$ " - $28\frac{1}{2}$ tons and for 4" - $36\frac{1}{2}$ tons.

Trusting you will find this satisfactory with apologies for the

We are, Dear Sirs,

Yours faithfully,

p.p. Wm. Barton & Co.

(Signed). T. Miller.
