

COPY FOR LONDON OFFICE.

Lloyd's Register of Shipping.

Port

PLYMOUTH

12th October 1921.

This is to Certify that I have

Surveyed the Wood Screw Steamer "AFTERGLOW" of London 99 tons gross whilst lying in the Great Western Docks, afloat and in dry-dock on the 1st September 1921 and subsequent dates, the vessel having put into Plymouth stated to be in a leaky condition.

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have Recommended that she be continued as now classed in the Register Book with fresh record of survey 10,21.

being fit to carry for the voyage to the Falkland Islands.

James Butler

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
