("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

re of Survey

The s.s.No.3 became due 6,22.

The case has received the consideration of the Committee from time to time and on the 17th July last a proposal to carry out the special survey in about a month's time was agreed to.

The Grimsby Surveyors now report the s.s.No.3 has been partly held and to complete same the E. and B. space, bunkers ^{pumps} and peaks require to be examined and the cables ranged.

Minor repairs have been effected.

It was not considered necessary to drill the shell plating.

The Owners' representative states the special survey will be completed at the end of this year.

The year of grace expired 6,23.

The case is submitted for the consideration of the Committee.
