71, Fenchurch Street, E.C.

26th March, 1915.

Dear Sir,

With reference to the classification in the Society's Register Book of the steamer "SAPAD", I have to point out that this vessel became due in October last for the biennial survey of the screw shaft, and that she became due for Boiler Survey at the end of November.

In the circumstances I shall be glad if you will ascertain and let me know, for the information of the Committee, what definite arrangements the Owner proposes making with a view to these outstanding matters receiving the necessary attention.

I am, Dear Sir,

Yours faithfully,

E. Buchholz Esq.,

Secretary.
