<u>Steam Trawler</u>		
<u>2-11</u>		

General Surveys, when held, must be reported in detail and serially in the terms of the Rules. State clearly the nature and extent of Examinations and subsequent repairs. Repairs due to Damage (the cause of which must be stated) should be separated from Repairs due to other causes; the amount of Damage being detailed in the body of the report, should be summarised in the form shown below. Whenever the position of Anchors or Chains is reported, the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.

Society's Freeboard (if assigned) as painted on Ship and now verified

Age cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and why they were declined?
Was a damage report made by anyone else? If so, by whom?
