The S.S.No.1 became due in December 1905.

The Owners' Superintendent recently stated that it had  
been decided not to continue the class in the Society's  
Register.

The case was before the Classing Committee on the 13th  
instant, and it was decided to withdraw the class from the  
Register Book, and to insert three dots (...) in lieu thereof,  
indicating withdrawal of class at Owners' request.
