The Secretary  
London

Sir

I beg to inform you that the  
Steam Trawler "Josephine I", N<sup>o</sup> 62182 in Register Book,  
is now in this Port, and I have today been informed  
by the Owners Representative that they do not intend  
to proceed any further towards the reinstatement  
in class of this vessel at present, as they are anxious  
to get her to work as soon as ever possible.  
We have a press copy of Milford Report N<sup>o</sup> 2910, which  
shows that a great amount of the survey has already  
been done there for S S N<sup>o</sup> 3, and this was pointed  
out to the Owners Representative when he called,  
but he still adhered to his original decision.

I am, Sir,  
your obedient servant  
L. B. Vane
