The First Special Survey No.2 became due on this tug
 in April 1913, and was to have been carried out within the
 year of grace.

On the 23rd ultimo a letter was addressed to the Owner
 requesting him to state his intentions in regard to the vessel's
 classification, and in reply, he now states it has been
 decided to withdraw the vessel's class from the Register Book.

The case received the consideration of the Classing
 Committee on the 1st instant, when it was decided to withdraw
 the vessel's class from the Society's Register Book, and to
 insert three dots (...) in lieu thereof, indicating withdrawal
 of class at Owner's request.
