10th October, 1923.

Dear Sirs,

S.

With reference to your letter of the 27th ultimo addressed to the Society's Surveyors at Trieste respecting the classification in this Society's Register Book of the wood steamers "CABIRA", "CADMEA", "CANDIOPE", "CASPERIA", "ILARIA", and "ITONIA", I am directed to acquaint you that the cases of these vessels have occupied the attention of the Committee, and in view of the fact of their being considerably overdue for Special Survey, and that it is not your intention to carry out the inspections in question, the Committee have had no alternative but to expunge the class in each case from the Register Book with a red line, indicating non-compliance with the Society's Rules.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

Messrs. Modugno & Co.,
Via SS. Martiri 15,
TRIESTE.
