 The survey of the screw shaft of this vessel became due in July, 1921, but the Owner's Agents now state it is not desired to maintain the classification of the drifter in the Society's Register Book.

The case received the consideration of the Classing Committee on Tuesday, 13th instant, when it was decided to give instructions for the character of the vessel to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owner's request.

15th March, 1923.
