The Secretary,

LONDON.

Sir,

With reference to the case of the steam drifter "Star Divine", and your letter of the 2nd instant, having reference to the examination in place, and stamping of the new tail shaft, supplied by Messrs Clyne, Mitchell & Co., of this port, and fitted on board at Peterhead, as per my letters of the 13th July, and 28th August last, I have now to state, that since that date, the vessel has been line fishing from Peterhead, and I now learn through Messrs R. Irvin & Sons, that she fitted out at that port, and has proceeded south to the English Herring Fishing, from which she is expected to return at the end of the year.

I am, Sir,

Your obedient servant,

Ridley Powell.
