*Screw shaft survey due September, 1912.*  
*Special Survey No 1 due September 1913*

No reply having been received to a notice respecting the **screw**  
**ft** survey sent to the Owner on the 20th February last, the  
e was submitted to the Committee on the 27th May, when  
ion was deferred and the Owner requested to state what  
angements were proposed to be made for the necessary survey  
be held. This communication also failed to elicit a reply.  
the Committee again deferred action on the 22nd July. A  
ther letter was also addressed to the Owner and forwarded  
ough Lloyd's Agents at Para, who were asked to endeavour to

arrange for the requisite survey to be held without further delay, or the vessel would lose her class.

A letter was recently received from Lloyd's Agents stating that they had forwarded the Secretary's letter to the Owner but that no reply had yet come to hand.

No further information has been received either from the Owner or Lloyd's Agents.

*Sald, 13<sup>3</sup>  
27.*

*As this vessel is classed for river purposes only & is trading on the river Amazon, it is submitted that action be deferred until the S.P. No. 1. <sup>is held</sup> becomes due.*
