I return herewith your first entry report No. 8850 of survey on the machinery of the new tug "TALBOT", and have to point out that the Surveyor who completed the Special Survey at your port has not signed the report, and I have to request he will make this omission good and return the report to me at once.

At the same time I have to enquire whether this vessel is still in your district or if she has already left for the Bristol Channel.

I am, Gentlemen,

Your obedient servant,

Secretary

The Surveyors,

HULL.
