Dear Sir,

I am in receipt of your letter of the 31st ultime respecting the steamer "ABRAHAM LINCOLN" and in reply I have to acquaint you that in the circumstances the Committee are agreeable to the vessel retaining her class in the Register Book for the present, subject to the condition that the survey of the Water Tube boilers will be carried out before she again proceeds to sea and that intending purchasers will be so informed. The Committee suggest that the above condition should be made quite clear to the Owners.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

NEW YORK.
