due for oil fuel 9.19 F.P. above 150° F

In June last the Philadelphia Surveyors wrote they  
been in communication with the Owners and from information  
ived they concluded that this vessel, which was laid up  
g Island, would be withdrawn from Classification with  
Society and would be classed with the American Bureau  
e she again sailed from Philadelphia. In the circumstances  
committee deferred action whilst the vessel was laid up  
ending a definite decision re classification.

In reply to enquiry the Philadelphia Surveyors now  
the vessel is still laid up.
