71, Fenchurch Street, E.C. 3.

21st December, 1920.

Dear Sirs,

As it would appear that the steamer "ABRAHAM LINCOLN" arrived at your port towards the end of last month, I shall be glad to learn what action is being taken at this time regarding the survey of the Water-tube boilers.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

PHILADELPHIA,

Pa.
