LLOYD'S REGISTER  
LONDON.

REC'D 12 APR 1902

ANS'D

Sheffield, April 11<sup>th</sup> 1902

Sir,

In reply to your letter of yesterday's date respecting the report (Lichte N: 642) on the new S.S. "Bucovino", I beg to state that on arriving at Lichte on the 20<sup>th</sup> December 1901 I proceeded the same morning to the works of Lloyd's Arsenal and the Stabiliments Licenses and took over all the Ship Surveying work in the district.

In order to assist you in the apportionment of the survey fees between the Society and M. Dussich, I beg to state that new work during my stay was as follows. —  
Lloyd's Arsenal.

N: 66. (S.S. "Bucovino")

Launched 9-1-02

W1549-0203 1/2

Lloyd's Arsenal, continued -

N<sup>o</sup> 66. Riveting shell plates, deck plates  
+ caulking -

N<sup>o</sup> 69. Laid Keel - 31-12-01

Stabilimenti Tecnici

N<sup>o</sup> 340. Laid Keel - 31-12-01.

I paid my last visit to these  
vessels on the 21<sup>st</sup> Feb<sup>y</sup> and passed  
the work over to Mr. Dussich.

Mr. Dussich accompanied me  
on a number of visits of inspection  
to the above named shipyards, his  
knowledge of the language being  
of great value to me.

The scantlings, material  
and workmanship of the several  
vessels was all in order and  
according to the approved plans.

The report is signed by me  
and returned herewith -

I am, Sir,  
Your obedient servant  
P. L. Morton

The Secretary,

London.

Referred to the Chief Ship Surveyor,  
and the Chief Engineer Surveyor.

*W.B.*

12 APR. 1902

Also for Mr. Scott  
In. Twenem  
to work

It appears from this that the

proportion of fees is

£ 71. 2. 0 due to Mr Dussich

and £ 21. 0. 0 " " The Society

as regards ship. and

£ 16. 13 due to Mr Dussich

2. 0 due to the Society as

regards Engines in addition to which  
the entry fees of £ 20 on Glasgow Acc are to be  
credited to the Society.
