Dear Sir,

S.

With reference to Greenock Report No. 17822 on the Steamer "CORINALDO", I shall be obliged if you will ascertain from the Surveyors and let me know whether the shelter and upper deck plating is increased in way of the openings as approved.

I shall also be glad to learn the water capacity of the oil fuel tanks in the machinery space, if these tanks may be used for water ballast.

The Surveyors should also say whether all the spare gear required by the Rules has been placed on board.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

GLASGOW.
