

LLOYD'S REGISTER OF SHIPPING
17 BATTERY PLACE

NEW YORK

July 20, 1938

The Surveyors,
BALTIMORE.

Dear Sirs:

Hull 4327

Enclosed please find a copy of a letter to the Bethlehem Steel Company, which I believe will be self-explanatory. One copy of the plan referred to is also enclosed.

Before accepting the Air Tank, will you kindly satisfy yourselves and report that the works are properly equipped for the welding of pressure vessels; that the welding plant is installed under cover and is maintained in efficient working condition; and that adequate supervision of the welding work is provided; all as set forth in Notice 1717, Rules for Welded Pressure Vessels, page 9.

Yours faithfully,

for Principal Surveyor.
