10th August, 1937.

Dear Sir,

E.

The Bethlehem Shipbuilding Corp. Hull 4327.
H.P. Turbine Rotor.

I duly received your letter of the 22nd ultimo, with enclosures, relating to the above, and I shall be obliged if you will kindly state the power and revolutions per minute of each turbine in order that the plans of shafting may be considered.

I am, Dear Sir,

Yours faithfully,

Secretary.

W. Bennett, Esq.,
NEW YORK.
