

# POSTPONED SURVEYS.

Case of the S.S. "CALIFORNIA".

No. 70120 in Reg. Bk. tons, Built

Classed Owners

Port of Registry

Survey Due General Examination due 7.46.  
Boiler Survey due 7.46.

-----

The Valparaiso Surveyor stated last month that the Owing Company was being reorganized owing to financial difficulties and that no information in regard to the above surveys could be given until the work of reorganization was complete. Action was accordingly deferred by the Committee pending further information and from a Newspaper cutting now received from the Valparaiso Surveyor it is noted that the vessel is advertised for sale.

*Submitted action be deferred  
for the present*
