The Secretary.
London.

Sir,

We beg to inform you that the S.S. "Tees" No. 281 in the Register Book is now named "Vicente Fidel Lopez". This vessel was recently in Dry Dock at this port, but in view of our being informed verbally by the government Officials at the Dock that it was not their intention to retain her class, no survey was held on her by us. Port of Register is now Buenos Aires & she is intended for government supply purposes on the South Coast.

We are, Sir,

Your obedient Servants,
for The Surveyors.

P. I. Adie.
