 Survey due Survey of screw shaft due June 1912.
Boiler Survey due January 1913.

In April last the Committee agreed to a proposal to carry out the above surveys in June or July.

The Bordeaux Surveyor wrote on the 30th ultimo that he had been informed that the Managing Director of the Company was away, but would be back within a fortnight, and he would interview him upon his return. In the circumstances, the Committee deferred action in the matter, and the Bordeaux Surveyor was requested to point out to the Owners' Managing

Director that unless arrangements were made for the requisite surveys to be held without further delay, the Committee would have no option but to deal with the vessel's class.

The Bordeaux Surveyor now writes, in reply to enquiry, that the steamer "BALEINEAU" (belonging to the same Owners) has been laid up for repairs, and his attendance has been requested. As soon as the repairs to this trawler are completed, definite arrangements are to be made for the surveys of the "SOUFFLEUR" to be held. *do¹⁴
