LLOYDS REGISTER  
LONDON  
17 DEC 1914

Dear Sir,

"H" 2/7/14

I got into touch with Messrs. Grace & Coy in connection with the equipment of the new tug and barge launch "TOFO" and they informed me that the tug was delivered to the Bethlehem Steel Coy., at Coquimbo, on June 12th. last. The anchors and chains as well as the certificates were delivered to them shortly after.

Messrs. Grace & Coy. believe that the marks of the vessel's equipment were compared with the certificates of test by the Lloyds Agent at Coquimbo.
